SHAPING UP

Second and third story men, Darrell Maccarone, left, and Roland Cote, right (cover) work on the Mattapoisett Town Hall as work proceeds on the shingling of the familiar structure that is changing its appearance much for the better.

Mattapoisett Selectmen are extremely pleased with the transformation now underway. Not only will the exterior be tight and attractive but the interior will benefit as much with the blown-in insulation

Volunteers from the town are also helping with the new look. Tony Pelson of Barstow Street is working on stained glass windows for the 3 round windows. One will be a star, another a sailboat and the third will be the lighthouse.

Ken Pacheco has the town seal which hangs by the flagpole and will repaint it so that it will match the handsome appearance of the face of the building.

Selectmen's Meeting

AUGUST 2nd - by Virginia Arral

HIGH-TECH PARK DISCUSSION

Clarence Fountain of the Industrial Development Committee met with the Board of Selectmen Tuesday, August 2nd, to discuss the proposed agreement with SRPEDD for the industrial development plan for the High-Tech Park. The seven-step agreement includes:

1. Develop an overall feasability potential for the park to include soil testing, access routes and site development.
2. Economic feasibility - The number of firms, the number of employees and a profile of where the employees will live.
3. Traffic analysis-access from three locations: from the present Industrial Par Park, Route 6 and North Street.
4. Evaluate the site-water, sewage, drainage and utilities.
5. Zoning - the preparation of a format in wording written like Mattapoisett's own by-laws was recommended by Selectman James F. Huntoon.
6. Tax base - Have an estimate of Mattapoisett's property evaluation increase, and as to how it will affect the town's tax base. This additional proposal was recommended by Huntoon, who said "Taxpayers may well ask, what will it do for the town?"

HYDRO-PULSE™

A SOLID investment WITH A PROVEN PRODUCT

The great, new Hydro-Pulse™ gas boiler can REDUCE Energy Costs 30% or more.

This revolutionary new heating unit, made by Hydrotherm, Inc., uses no burner, no pilot light, needs no flue, no chimney. It operates on the pulse combustion principle, which uses natural gas much more efficiently than conventional boilers. This means heating bills can be reduced 30% or more. If you're in a depression over high home heating costs, call us to learn more about Hydro-Pulse.

Hydrotherm® has certified this contractor for Hydro-Pulse installation and service.

7. Prepare a report outlining just what steps the town must now take.

The two revisions must be agreed on by SRPEDD before coming back to Selectmen for their approval. The total cost of $5,500 will be divided with Mattapoisett's share $3,000; state D.P.W. $2,000; and SRPEDD's Municipal Assistance $500. The report should be completed by February 1984.

BUDGETS

During a joint discussion with the Finance Committee and Town Accountant Barbara Dakin two members of the Old Rochester District School Committee came in to report on that evening's school committee meeting and the latest standing of the budget.

William A. Wood and M.C. Rosenfield, school committee members, reported , as the cherry sheet figures stand, the school committee could have a $155,537 cut from the certified budget if we stayed with Mattapoisett's town meeting vote. He noted the school received $50,000 more in transportation aid and $100,000 increased state aid.

It was generally agreed that the town could come up with an increase of $69,000. Selectman Frank Suzan asked if we can come up with the $69,000, can you use it this year or should we hold it for next year? "It is better to plan now for next year this year, or we're going to be in big trouble," Suzan said. Wood felt the figure was sufficient.

In other budget discussions, Selectmen, Finance Committee members and the Town Accountant agreed to an article seeking funds of $55,000 for construction of an expansion of the sewage system and $4,000 for engineering fees for the present. Se-

lectmen Chairman John DeCosta explained if Mattapoisett wants to do an additional area in the future, we must plan now. Fairhaven is in the process of enlarging their facility and we must make a decision now. We can double our capacity and do the really bad areas with these funds, DeCosta added.

It was also noted the Ned's Point building is in need of roof repair; the damaged town wharf needs repair (Manuel R. Nunes, highway surveyor, estimates repair at $15,000 to $20,000); $6,000 to $8,000 is needed to complete restoration of the Town Hall; funds to increase the Chief of Police's salary - about $5,000. It was agreed that a $2,000 lieutenant's increase could come from the police department's regular budget. If there is not sufficient funds at the end of the year the department can come for a transfer from the Reserve Funds. Additional funds are needed for gypsy moth spray. DeCosta noted that the cost of spray has risen from $300. to $800.

DeCosta said these articles will be prepared for a special town meeting to be held in September; no date has been set as yet.

ROUTE 6 SPEED LIMIT

Frank Peterson of 99 County Road met with Selectmen to protest the decision of the State Department of Public Works to allow the speed limit to remain at 50 miles per hour on certain sections of Route 6, mainly between the A & P and the Marion town line. He said he was "ticked off" at Acting District Highway Engineer R. A. Smith's response. He complimented the local and state police for their cooperation in holding down the speeders.

Selectmen recommended Peterson write a letter to the state with signatures of others who feel the same about the speed limit. The board will also send a letter asking the state to "take another look".

BRANT BEACH SIGNS

After viewing the Brant Beach area Selectmen have authorized the following changes - all have to be approved by the state D.P.W.

No Parking Between Signs (signs to be located on West side of Brant Beach Avenue between Black Duck Way and the Beach). No Parking Between Signs (signs to be located on South side of Ocean View Avenue between Brant Beach and Pinehurst Avenue).

The following sign will be placed on the town beach at the end of Brant Beach Road to the left of the jetty (looking at water) "Mattapoisett Permit Holder Only".

The Brant Beach Association signs that state Tow Away Zone will be removed. The Brant Beach Association sign for private beach area will be moved to their part of the private beach.

NOTICE FROM CORPS OF ARMY ENGINEERS REGARDING MOORINGS

To keep it as a matter of public record, a public notice was received from the Corps of Army Engineers giving permission to place 50 moorings in the harbor by the Mattapoisett Boatyard. Harbormaster Lloyd Haskell informed the board these moorings are already in place; however this permit is required because the Corps had only an approximate number of moorings on file for the Boatyard. This permit will now cover the actual mooring count. Haskell surveyed the moorings, and found everything in order.

PUBLIC'S RIGHT TO SPEAK AT MEETING

The Board commented on its policy concerning the public's right to speak up at a selectmen's meeting. DeCosta noted we have an open door policy and a person can speak up on any subject. Huntoon said, "We will take anyone after we complete our agenda. We will stay until all people are heard." Suzan concurred with their comments but noted he felt people should call

CRIME PREVENTION

Selectmen received the following letter from Chief of Police James F. Moran and Crime Prevention Officer R. Stanley Ennis, Sr.:

In early September the Mattapoisett Police Department will be actively participating in the Massachusetts Priority One program. Priority One is a program for "A Community-Wide Alliance to Halt Crime". Our local officers will be distributing "Crime Prevention Kits" to all households which will contain emergency telephone numbers, discount coupons for obtaining police-approved anti-theft devices, and a pledge card which, when signed and returned to a police official, will entitle the participant to a free blue light bulb. This light bulb is a symbol of the crime prevention campaign, and when placed in the front window or above the front door of people's homes, indicates that they are informed citizens who are taking measures to protect themselves and their property.

Channel 7 has been featuring the "PRIORITY ONE" campaign beginning this past April first and will feature on FRIDAY, September 9, 1983, a "neighborhood Network" which is a special three (3) hour program to raise public awareness of crime and its prevention. One of its aims is to support neighborhood crime watch projects and to organize a "neighborhood network" of citizens throughout eastern Massachusetts who are committed to looking out for one another's safety.

It is the intent of this letter to seek an endorsement from your Board of the efforts that will be made by the Mattapoisett Police Department to help Mattapoisett residents become aware of the measures they may take to help stop crime. We will keep you advised of the program's progress.

Selectmen endorsed the police department's effort to help Mattapoisett residents become aware of the measures they may take to help stop crime.

Wharf Square Dancing

Caller for this Saturday's square dance at the Mattapoisett Town Wharf will be Dave Perreault. Rounds will be cued by Birgit Maguire. Sponsor of this week's dance is the Firemen's Auxiliary. In case of rain the dance will be held in the Congregational Church Parish Hall.

Seniors' Mini-Fair

This week a Mattapoisett Seniors' Club telephone committee is busy contacting members and friends in behalf of the organization's Mini-Fair, to be held Saturday from 10 a.m. to 2 p.m. in St. Anthony's Church Hall.

The committee aides are Florence Huetteman, Helen Fleurent, Clare Doyle, Eileen Hurley, Agnes Pelczar, Betty Heuberger, Elizabeth Marchessault, Emily Perry, and Louise LaPlante.

Highlights of the Fair, the club's main fund-raising event, will be a home-baked food table, white elephants, coffee an', books, and vegetable table.

Members and non-members who wish to do so may display Flea Market items at tables, also. Reservations can be made by contacting Mrs. Winifred Burnham, club president, at 758-2727.

Mini-Fair posters, the handwork of Jane Welch, have been distributed at various sites, inviting area community residents to the event. Ample parking is available at the church.

Mrs. Aletha Hill Myers, who taught the 8th grade. Mrs. Myers was married to the Reverend Paul B. Myers (who also attended) during the school year and the class attended the wedding.

The class president, Ernest Smith, called the roll and 22 answered the call. The total count including spouses was 42. A moment of silence was requested for the two deceased members, Patty Tripp and Romeo Farley. Reverend Myers asked the blessing upon request and a delightful repast was enjoyed by all, during which old photos, programs, etc. were passed around, and much conversation took place, as old classmates were identified and friendships renewed. The ravages of time were somewhat apparent when viewing the old class pictures.

Following the meal the meeting was turned over to Mrs. Ruth Harriman Morgan who had played a major role in organizing the reunion. She then started the group in a systematic grade by grade period of reminiscing - naming each teacher and citing various amusing incidents, with help and contributions from those present. Conversation became more animated as the evening progressed and the thorough enjoyment of the participants was obvious. The years seemed to fall away and there appeared once more the cheerful, carefree youngsters of fifty years ago.

Marion Book Sale

Members of the committee in charge are issuing an appeal for books to be offered at the annual book sale for the benefit of the Elizabeth Taber Library in Marion. Books may be left at the Library on Spring Street in Marion any time before Friday, August 26th.

The sale will be held from 9:00 a.m. until 4:00 p.m. on Saturday, the 27th, at the Veterans' of Foreign Wars Hall at the corner of Front and Cottage Streets, Marion. Because no sale was held last year during the remodeling of the Library building, booklovers can look forward to an especially wide selection at this year's sale.

St. Anthony's Women's Guild will sponsor a Bake Sale on Saturday, August 20th, following the 4:30 Mass. The sale will be held in the church hall on Barstow Street, Mattapoisett.

Guild members and parishioners are being asked to support this event by donating baked goods.

Proceeds of the sale will go the Scholarship Fund.

Volunteers Needed

WILL YOU BE A GOOD FISH?

The local chapter of "FISH" needs volunteers... people willing to help when they can as called upon.

FISH is a movement of individuals working together in local chapters performing services - often emergency services, but not always, for their fellowmen.

In Mattapoisett FISH was organized in 1971 and offered many services that are now covered by the Council on Aging, Elderly Nutrition, Outreach and others. Now, all of these organizations work together to better help those who need a helping hand.

FISH is most asked to supply transportation - primarily for medical appointments, and not always for the elderly. These trips are usually in the Greater New Bedford area or to Wareham.

VOLUNTEERS - men and women - are needed to cover telephone calls one day a month

Fashion Show to Benefit Hospice

A benefit Fashion Show and Luncheon for the Wareham Area Hospice Association, Inc. will be held Friday, August 26th, at 12 noon at the Kittansett Club, Marion. Women's fashions. designed and handmade by Poor Butterfly of Marion, and children's fashions from the Hay-Loft of Mattapoisett will be shown. Tickets at 12.00 are available at the Hay-Loft, Poor Butterfly, the Artichoke, and at Winn's in Wareham. For further information call 748-1836 or 748-1099.

Hospice care is a philosophy, a concept in the treatment of the terminally ill, to provide for their living out their lives in familiar surroundings, at home. It is an acceptance of death as a part of life by making those final days worth living.

The Wareham Area Hospice Association, Inc. serves the communities of Wareham, Marion, Rochester, Mattapoisett, Carver, Buzzards Bay and Sagamore.

Mattapoisett Historical Society

Second to the building of ships do you know what industry was important to the economy of Mattapoisett in the early days?

It was SALT.

From 1790 to 1815 the manufacture of salt was most important in Mattapoisett and continued on a lesser scale during the shipbuilding days and until after the Civil War.

Saltworks - each covering one or more acres - stood on the Mattapoisett Neck, Minister's Island, the northeast edge of Eel Pond (site of Mahoney's Lumber Yard), on the site of the Museum, and on Ned's Point shore and the beaches to Aucoot Cove.

The salt was made by letting the sun evaporate seawater in large shallow vats of descending levels which were covered from rain by moving roofs. The vats, about 18 feet square, rested on posts and the ground beneath was covered by beach sand to keep moisture from the bottom of the vats.

The purest salt was made in a unit of 4 vats, the water being drawn from one vat to another through wooden troughs. 350 gallons of seawater was needed to make 1 bushel of salt. The water had to be reduced to one tenth of its volume before pure salt (NaCl) crystallized and could be removed.

After reading this you may find the model of a saltworks at the Mattapoisett Historical Museum interesting. It is on the balcony of the Carriage House at the rear of the museum...and the museum is at the corner of Church and Baptist Streets in Mattapoisett...the hours are Tuesday through Saturday from 1 to 5 p.m.

And don't forget the exhibit this month of "WASH BOARDS, IRONS, TRIVETS, AND HOT WATER BOTTLES" that shows the evolution of these items over the past 100 years.

through 12 who plan to participate in interscholastic athletics will be held at the Junior High School from 9:00 a.m. to 11:00 a.m. on Tuesday and Wednesday, August 23 and 24. There is no cost to the student for the examination at this time.

Medical and eligibility forms are available in the School Office, Old Rochester Regional High School. These forms must be completed by a parent or guardian and presented at the time of the physical examination.

The High School office is open daily from 7:30 a.m. to 3:30 p.m. for those wishing to pick up forms. The office may be closed from noon to 12:30 p.m. on some days for lunch.

A final opportunity for examination without charge to the student is scheduled on Thursday, September 8th, for those who miss either of the first two sessions.

Students electing to be examined by a family physician at their own expense may do so provided that the family and physician use the MIAA approved form.

Parents are asked to note that these are the ONLY opportunities for physical examinzation without charge during the course of the school year. The student who is undecided is advised to take advantage of

All dismissal, tardy and absent notes for the school year 1982-83 will be destroyed on August 24th, 1983. Parents wishing to question any attendance report on the grade cards for 1982-83 are asked to communicate with the school office prior to that date.

TRANSFER RULE FOR STUDENT ATHLETES

The Massachusetts Interscholastic Athletic Council has voted a very major change in the transfer rule for student athletes. Under the new rule, a student who transfers to Old Rochester but whose address has not changed, i.e. the student was a resident of one of the member towns prior to the transfer but attending some school other than Old Rochester, is ineligible to participate in any interscholastic athletic contest at any level for a period of one year in all sports in which that student participated at the Varsity level during the one year period immediately preceding his/her transfer except as exempted below.

Students who attend Old Rochester prior to Monday, October 3, 1983, may choose to be governed by the 1982-83 rule or the

Valerie Putman in New Post

NEW MARKETING COORDINATOR

The Zeiterion Theatre is pleased to announce the addition of Valerie Putman to its staff. Ms. Putman will serve as Marketing Coordinator; her duties will include developing group and corporate sales programs, and representing the Zeiterion to the media.

Ms. Putman recently worked as a Block Equity Trader for State Street Research and Management in Boston. Her position there consisted of buying and selling blocks of stocks for pension funds under management. She also worked with developing and marketing a computerized system for institutional equity trading departments.

Ms. Putman graduated Magna cum laude from St. Anselms College, Manchester, New Hampshire in 1979 with a Bachelor of Arts in Sociology and a Minor in English. She was elected Vice President of the Student Body, Vice President of the Sociology Society, and Chairperson of the Fund-raising Foundation for Re-development. A dean's list student, Ms. Putman received the Possant Award for Number One Rank in her department, and was cited in Who's Who in American Colleges and Universities.

Originally from Mattapoisett, Ms. Putman is happy to return to her home and become part of the exciting growth of New Bedford and the Zeiterion Theatre. Dan Kirsch, Managing Director, stated that "Valerie will be a super addition to our team, taking responsibility for a very important part of our future. Audience development was something that was not pursued effectively during our first year, but with

Coming to Zeiterion:

FOLKSINGER TOM RUSH

Tom Rush, the folksinger representative of the 1960's and 70's, will hold a very special concert with his band at the Zeiterion Theatre on Saturday, August 13th, at 8:30 p.m.

Tom Rush, well at home in folk idioms, has drawn upon black, urban and other contemporary styles including rhythm 'n' blues and out-right rock and roll in his music. As an English Literature major at Harvard, Rush began his career by listening to everyone who played in the local coffeehouses. When he began performing, he put together a patchwork of songs he liked, expanding his eclectic repertoire with new material by then new writers Joni Mitchell, Jascson Browne and James Taylor.

After being on the road five years nonstop, Rush found he was exhausted and disillusioned with the business end of the music industry. He semi-retired to a farm in New Hampshire, where after a contemplative period, he now records new material in the 16-track studio he built on his farm. He now performs eight to ten days a month, and just this past New Year's Eve held a sold-out concert at Boston Symphony Hall. The Boston Globe called that performance "A magical, precious night". In the past, the New York Times has stated "The group's arrangements were particularly noteworthy. They surrounded even the most traditionally based songs with fresh colors and textures without compromising the integrity of the idiom, which is a feat not easily accomplished. Mr. Rush unveiled some new songs, and they were an impressive example of how a folk-based performer can come to terms with contemporary pop trends without abandoning his roots

Mattapoisett Playground

INDIAN HERITAGE DAY

Indian Heritage Day was held August 3rd at the Center School playground, sponsored by the Mattapoisett Recreation Department.

The morning was spent preparing costumes, Indian artifacts and a totem pole, which will be presented to the town from the children. The children wrote poems and stories about the Wampanoag tribe in Mattapoisett for which prizes were awarded as follows: first place, "Squaw Happy Face", Kristina Ponte; second place, "Massasoit", Wayne Medeiros; third place, "Little Scavenger", Brian Hiller; honorable mention: "Chief Arrowhead", Seth Patch, first; "Princess Butterfly", Brenda Medeiros, second; "Chief Sitting Bull", John Greer, third; "Squaw Rain", Susan McKinney, fourth; "Squanto", John Ferreira, fifth.

To finish the day's activities, the playground was visited by Wampanoag Indians from Plymouth who put on a show for the children, entitled "Our Place in Nature".

High Blood Pressure:

High blood pressure really is a warning that your heart is working harder than normal to pump blood and extra fluid through your body. When high blood pressure is not treated, it can lead to serious damage to blood vessels that feed the heart, brain and the kidneys. Uncontrolled high blood pressure is the major cause of heart attacks, strokes and kidney disease.

High blood pressure is a disease without symptoms. You can walk around with high blood pressure for years and never know it. Your doctor can detect it through a simple painless test. High blood pressure is also a disease without a cure. However, once your doctor discovers your problem and you follow the treatment the doctor gives you, high blood pressure can be controlled. See your doctor regularly.

A very special thank you to Jim Huntoon, Marilyn Lee, Joan Flaherty, Shirley Haley and all of the little "Indians" who helped to make the day so special.

Carnival Day

Mattapoisett Recreation will be having a "Carnival Day" on Wednesday, August 17th. Activities to be held at the Center School playground on Barstow Street will begin at 9 a.m. There will be face-painting, pie-eating, watermelon-eating, bubble gum, hula hoop, balloon races, egg roll, and a cook-out. Children, aged 6-12, may participate. All interested must register at the playground no later than Monday, August 15th.

Summer Sports Cookout

The Mattapoisett Recreation Commission and the MYAA are planning a cookout for all spring and summer sports teams and their families on Sunday, August 21st, at Ned's Point from 11:00 a.m. to 4:00 p.m.

The cost will be 1.50 per person. This will give each person two hot dogs and two sodas. The price is the same for youngsters and adults.

Tickets are available through team coaches. For further information call Barry

members had to attend.

The odds favor the Mattapoisett Police Department in this game.

The police department has such stars as Chief James Moran who is most likely to pitch, Kenny Pacheco, Milt Heuberger, Eddie Pina and Old Rochester baseball star Paul Fluegel. But Mattapoisett 3 can not be overlooked in any way holding second place in the C.S.L. with a record of 14-8.

Also in the police department's roster they have two C.S.L. players, Mahoney's Jack Macedo and Cliffy Lopes.

Both Kenny Pacheco and Bruce Mathieson, game organizers, are sorry for any inconvenience that they have caused, and hope to see you there to support your favorite police officer or Mattapoisett 3 team.

This will be a benefit softball game for the Halloween Fund sponsored by the Mattapoisett Police Department every October.

The Mattapoisett 3 will donate $50.00 if they lose and if they win will donate $25.00 to the Halloween fund.

A trophy will be awarded to the winning team that day. The game will be covered on American Cable TV and is sponsored by the Mattapoisett 3 sports organization.

Capeway Softball

Results of games played July 31st in the Capeway Softball League were as follows:

Root's and Mahoney's both won one game. The first game was won by strong pitching by Jim Murray, Mahoney's all-star pitching ace.

Mattapoisett 3 took 2 games from Costa's Family Restaurant at Center School. Winning pitchers were Gary LeBlanc and Bruce Mathie-

Hockey Stars to Try Out

Three local hockey players will try out for the University of New Hampshire team on August 18th, 19th and 20th in the college tryouts in Danvers at the Twin Rinks.

Three major colleges head the six college program. This is the first time that this has been done with the sport of hockey. Three of the top colleges are Boston University, University of Lowell and University of New Hampshire.

This program is designed to bring out hidden talent and could be a big step towards a better future academically or athletically. There will be about 175 to 200 hockey players at the tryouts, ages ranging from 17 to 25 years.

The three hockey players who were picked to go are Paul Leer of Dartmouth, Tom Eharty of Hyannis and Bruce Mathieson of Mattapoisett.

All three hockey players were scouted in the Men's Division 1 Hockey League on Cape Cod last February by freshman hockey coach Ken Richardson of the University of New Hampshire. All three are now currently playing hockey in Pembroke and Falmouth to train for the up and coming season wherever they choose to play. Over the last 3 seasons they have an average of 62 points per season each.

Sandwich, opens Sunday, August 14th, and will run through Sunday, September 4th. It was said of the Harwich painter that "he painted Cape Cod". About 30 of his estimated 2,500 paintings are included in the show. The gallery is open daily from 10 a.m. to 5 p.m.

The Harwich Historical Society is planning to put a commemorative plaque on the house at 95 Parellel Street, where Mr. Cahoon lived and worked for many years. The ceremony is planned to coincide with the 122nd anniversary of the painter's birth on August 31.

Cahoon was a landscape artist who divided his time between Boston and Harwich until he became a full-time resident of the Cape, at age 40. Born in 1861 he went to sea at age 14 serving as a cabin boy. He returned to Boston at 21 and became a retoucher of paintings and photographs. He was a "Sunday painter" during those years. Cahoon was a member of the Boston Art Club and had exhibitions in Boston, Cleveland and New York. After retiring to Cape Cod, Cahoon painted marshes, sand dunes, boats, old houses, craftsmen and fishermen. He often visited his brother, Captain Albertus Cahoon, who was commandant of the Life Saving Station at Gay Head. His distant cousin was the late Ralph Cahoon, whose pictures of mermaids and mariners are well-known on Cape Cod.

Harwich was proud of him as "the village artist" and it was the custom there and in nearby towns to give a Cahoon painting as a wedding present or to celebrate an anniversary or moving into a new house. brief marriage to Anna May McQuillan ended in divorce. He had one son, Alvin R. Cahoon. Mr. Cahoon, a resident of Muskogee, Oklahoma, plans to attend the Cahoon exhibit at Heritage and the Harwich ceremony.

Today Cahoon is having a vigorous renaissance and his pictures are sought by many collectors. The pictures in the exhibition will include portraits, still-lifes, landscapes and seascapes of Har-

FARMERS' MARKET

Saturday, August 20th, is the day for a real old-fashioned Farmers' Market, the Thornton W. Burgess Society's annual event to benefit its Green Briar Nature Center. From 10 a.m. to 3 p.m. on the "grassy knoll" opposite the State Fish Hatchery on Route 6A in Sandwich, the Market will offer home-grown fresh produce, flowers, plants, herbs, baked goods, cheese, country crafts and collectibles, children's activities and refreshments. At 3 p.m. Mrs. Peter Rabbit will draw the winners in the Burgess Society Raffle. Twelve wonderful prizes, including valuable cup plates and original creations by Cape Cod artists and craftsmen, will be won. Raffle tickets are currently available at the Burgess Museum or Green Briar Nature Center in Sandwich and will also be on sale during the Farmers' Market.

In the event of rain the Farmers' Market will be held indoors at the Sandwich Elementary School on Route 130.

Many students and alumni of the interior design program of Chamberlayne Junior College in Boston attended the 1983 National Conference of the American Society of Interior Designers (ASID) held at the Sheraton-Boston Hotel and Hynes Auditorium.

The Chamberlayne participants hosted students and alumni of colleges from around the country.

Dwight A. Carter, assistant to the chairman of the college's interior design program, was chairman of the student participation in the conference. Professor Herbert T. Anderson of Point Connett, Mattapoisett, department chairman, also served on the committee. Paul H. Vincent, an instructor in the department, was co-chairman of the

Mr. Anderson was presented a presidential citation from the national president of ASID. It was awarded for his contribution to education and to the society.

The college has an active student chapter of ASID which students are eligible to join. They are invited to attend and meet professional designers at the society's monthly meetings and to participate in its other activities. Graduates of the three-year program become eligible to join ASID as associate members.

Flea Help

The Plymouth County Cooperative Extension Service has received numerous calls on flea problems the past few weeks reports Deborah C.Swanson, 4-H & Home Horticulture Agent. According to Ms. Swanson, fleas thrive in warm weather and many outdoor pets are afflicted with fleas. Fleas enter the house on dogs and cats and soon become a problem to humans.

Fleas are small brownish-black insects that do not fly. Fleas have six powerful legs that enable them to jump. Adult fleas feed by piercing an animal's skin and sucking blood. Fleas usually bite people around the ankles and legs and often will leave two or three bites in row. Fleas are often found on a pet around the lower belly.

Once fleas are in the house they can become a nuisance to control. The female will lay eggs in protected areas such as cracks or crevices in the floor, under furniture or in sofas, usually in the area where a pet sleeps.

Fleas in the house and on pets can be controlled. The Plymouth County Cooper-

Acid Rain

WILL IT DAMAGE YOUR CAR?

Car owners are warned by automotive experts that acid rain can cause damage to the finish of automobiles.

Bruce Milen, president of the International Carwash Association/National Carwash Council, presented evidence at association headquarters in Hillside, Illinois, that damage to the paint on cars by acid rain points to a growing national problem.

With acid rain being blown by winds everywhere, it is no longer just a regional problem, he said. Acid rain is caused by rain, snow or dry particles that contain solutions of sulfuric or nitric acid.

Milen pointed to an Associated Press news wire story out of Albany, New York, quoting the New York Environmental Conservation Commissioner, Robert Flacke, as stating that "acid rain is now blamed for ruining new car finishes" and that the damage is "significant".

As additional evidence, Milen said "for some time automobile dealers have informed us that there are spots on new cars in their lots and some of the manufacturers have expressed concern over the problem and have informed the association of this concern."

He said the association continues to re-

ceive reports of "unexplained spotting" on auto finishes from various parts of the nation that are traced to acid rain fall-out.

Since car wash operators throughout the nation report that they see vehicle spotting from acid rain, Milen urged car owners to have their cars washed frequently to avoid the problem.

"One of the concerns we have is that most people don't notice the damage from acid rain until there is discoloring on the hood and roof," he said. "This is the first stage of damage. Another sign is the appearance of what looks like water spots that won't come out with wiping or buffing."

At this latter stage, he said, the affected area must be sanded down and repainted. "Don't wait that long", he said. "Be sure your car is kept clean by washing it at least once a week."

Anti-Depressant Therapy

Abandoned Accounts

STATE TREASURER CRANE SEEKS TO RETURN $4 MILLION IN UNCLAIMED FUNDS

State Treasurer Robert Q. Crane announced today that his office is attempting to return more than $4 million to 30,000 Massachusetts residents under the state's unclaimed money law.

Treasurer Crane noted that this money has been reported to the Treasury as unclaimed by insurance companies doing business within the commonwealth. Included are unpaid life insurance benefits, unpaid benefits on health and liability insurance policies, pension checks and customer overpayments. Also, uncashed state income tax refund checks and vendor checks are included in the total.

Under Massachusetts unclaimed money law (M.G.L. c. 200A), accounts which have been unclaimed for at least five years are declared abandoned and must be reported to the Treasury. The Treasury Department then tries to locate the rightful owner or legal heirs.

"Many of these accounts represent the cash value of term life insurance policies which the owners do not realize they are entitled to claim," Crane said. "My office is making

Individual entitlements from these unclaimed accounts range from $25 to a single account worth more than $10,000. Last spring Crane released the names of 42,000 Massachusetts residents who were owed more than $17 million, most of this resulting from unclaimed saving accounts.

Persons who believe they may have a valid claim should call the Treasurer's Office at (617) 523-1042 or Toll Free 1-800-632-8027.

The Lloyd Center

This week's weekly walk at the Lloyd Center for Environmental Studies will be a field study of the non-flowering plants. Topics will include the natural history of the ferns, mosses, and mushrooms, as well as their ecological importance and their evolutionary relationship to the flowering plants.

The ferns and mosses, abundant on the Lloyd Center property, represent a transitionary stage in the evolution of higher land plants from an aquatic to a terrestrial habitant. Today these plants are adapted to living in areas of the forest which are largely uninhabited by flowering plants. They are adapted to lower levels of sunlight. These non-flowering plants are of immense importance in the forest cycle; the mosses and mushrooms being particularly notable for their ability to recycle soil nutrients.

There will be a short discussion followed by a walk, highlighting the process and problems of field identification.

Weekly walks at the Lloyd Center are open to the public and are free of charge. Please call 990-0505 if you are interested, as group size is limited.

Trails and grounds are open 365 days a year dawn to dusk; building 9-5 Tues.-Sun.
